## MOSCATO ROSÉ

The northwestern province of Piedmonte is home to Stella Rosa Imperiale Moscato Rose, one of the world's highest-quality Moscato Rosés. The prized grapes are selected from specific family-cultivated vineyards in and around the commune of Asti. The topography and slope of each vineyard site are directly related to the wine's excellent quality. The hillside vineyards promote ample drainage, contributing to the concentration of the flavor components, while the cool mountain breezes amplify acidity.

Stella Rosa Imperiale Moscato Rose is crafted with Moscato and Moscato Rosa grape varieties. The best Moscato grapes in the world are grown in Piedmonte and can be found throughout the region. However, Moscato Rosa, which imparts the beautiful medium salmon-colored hue, is quite rare. Both grapes are crafted into the finished wine with exacting standards using an ultra-modern winery facility. This wine's uniqueness stems from its intense, concentrated aromas, flavors, natural sweetness, low alcohol, and natural carbonation.

The wine shows a creamy, medium-bodied texture with balanced acidity, natural residual sugar, and full sparkle. It expresses rich flavors of Georgia peach on the palate and finishes semi-sweet and fresh. The advanced techniques used in production – long, slow temperature-controlled fermentation – provide the full expression of the Moscato and Moscato Rosa aromas: peach, apricot, and wild flowers. The beautiful pink salmon color further enhances the wine.
