

STELLA ROSA®

Imperiale MOSCATO

THE "SUPER MOSCATO"

The northwestern province of Piedmonte is home to Stella Rosa Imperiale Moscato, one of the world's highest-quality "super moscatos." The prized Moscato grapes are selected from specific family-cultivated vineyards in the communes of Asti, Alessandria, and Cuneo. The topography and slope of each vineyard site are directly related to the wine's excellent quality. The hillside vineyards promote ample drainage, contributing to the concentration of the grape flavor components, while the cool mountain breezes amplify acidity.

Stella Rosa Imperiale Moscato is crafted under exacting standards using an ultra-modern winery facility. This wine's uniqueness stems from its intense, concentrated aromas, flavors, natural sweetness, low alcohol, and natural carbonation.

The wine shows a silky-rich texture with balanced acidity, natural residual sugar, and fine perlage. It expresses delicate flavors of peach and apricot on the palate. The advanced techniques used in production - long, slow temperature controlled fermentation - provide the full expression of the Moscato aromas: pear, peach, and wild flowers. The bright golden color further enhances the wine.

RECOMMENDED PAIRINGS

- Parmigiano Reggiano Cheese
- Pad Thai Noodles
- Salted Macadamia Nuts
- Peach Cobbler with Vanilla Bean Ice Cream
