MERLOT

We were so impressed by this wine from our estate vineyard in Paso Robles, that we bottled it without any blending. After aging in French and American barrels for 24 months, our wine reveals ripe flavors of black plum and currant with accents of vanilla and dark chocolate.

OPAQUE

MALBEC

Though it's normally associated with Bordeaux and Napa Valley, our estate vineyards in Paso Robles produce fantastic Cabernet Sauvignon year after year. This vintage has bright aromas of dark raspberry and black cherry. Ripe flavors of plum and currant are complemented by nuances of cocoa.

Our Pinot Grigio is crafted in an Italian style. It is cold-fermented in stainless steel tanks to preserve the natural fruit characters of the grape. The goal is to fully express the individual flavors and terroir of each parcel of land. Maddalena Pinot Grigio reveals aromas of citrus with hints of wildflowers.

MADDALENA
PINOT GRIGIO

A dry climate with warm days allows for complete maturation of the grapes and creates ripe fruit flavors. The maritime influence of the Pacific Ocean creates very cool nights, which preserve the natural acid balance of the grapes.
